From the Global Success of SKYA Transdermic Comes a  
Bold New Chapter in Wellness

Expert Support  
for Healthy Life

**SKYA**<sup>®</sup>  
NUTRITION

# THE COMPANY

**SKYA Nutrition** is an innovation-driven company, delivering premium nutraceutical products inspired by modern healthcare and supported by continuous research and development. Our commitment to excellence, scientific rigor, and consumer care has positioned SKYA as a trusted name in wellness and beauty. With state-of-the-art formulations and a refined approach to packaging and presentation, SKYA products are created to meet the highest standards of efficacy, safety, and sophistication. The same principles that built SKYA Transdermic's global reputation now drive the vision for SKYA Nutraceutical.

Following the international success of SKYA Transdermic, a brand renowned for its cutting-edge dermo-cosmetic solutions and presence in over 40+ countries, we are proud to announce the global launch of SKYA Nutraceutical — a new division dedicated to advanced, science-backed nutritional supplements designed for holistic health and well-being.

## BRAND VALUE

**Our brand is anchored in four guiding principles that define our culture and product philosophy:**

**Excellence, Innovation, Care and Added Value.**

**1.**

### **EXCELLENCE**

We deliver uncompromising quality across every product, process, and partnership. Every detail is designed to outperform and impress.

**2.**

### **INNOVATION**

Each SKYA solution is the result of cutting-edge research, validated by clinical studies, and protected by Swiss patents. We stay ahead of industry trends to offer truly future-forward wellness.

**3.**

### **TAKING CARE**

We prioritize long-term relationships with customers, employees, and partners. Our commitment to well-being is embedded in every part of our business.

**4.**

### **VALUE CREATION**

We aim to deliver exceptional results not just to consumers, but to society as a whole — creating sustainable, positive impact through our work.

**Skya Nutrition Expert Support  
for Healthy Life**
